Theo. Sem. East Windsor Hill, Ct.
December 24. 1852

Dear Sir,

In behalf of the Missionary Society of this Institution, allow me to solicit from you some information respecting the state of Missionary feeling in your Seminary, the number who purpose to become either Home or Foreign Missionaries, your methods of procedure in attempting to promote the interests of this great enterprise &c. for which, in return, if you desire it, we will furnish some account of Missionary matters among us.

Yours in the Gospel

Benjamin Parsons.
Cor. Sec. Mis. Soc.
